

“We take care of every detail of ongoing administration so that our clients’ staff can focus on other critical functions.”

MuniMagic—Willdan’s Municipal Administration and Government Information Coordinator is a state-of-the-art database management program that allows us to work one on one with you to meet your specific needs. It helps us:

- Maintain parcel data
- Calculate special taxes, assessments, fees, and charges
- Manage payment tracking
- Centrally maintain bond-related information
- Provide flexible reporting
- Provide financial modeling and analysis

MuniMagic may be licensed in one of three ways:

- To access limited parcel-specific data via the Internet
- To access all data for reporting and reference purposes
- To administer your special districts and charges in-house

When you license MuniMagic, you obtain access via the Internet. Data is stored and maintained on our servers, which saves staff time for other critical functions. Plus you gain access to the following critical features:

- Access to county tax roll information
- Automatic flagging and tracking of retired, expired, and sub-divided parcels
- Comprehensive reporting
- Access to our most up-to-date data

Willdan’s district administration services

address the ongoing day-to-day activities associated with the long-term collection of bonded and pay-as-you-go taxes, assessments, charges, and fees. Our staff is carefully selected and equipped with customized skills to ensure that we meet one key objective—take care of every detail of ongoing administration so that our clients’ staff can focus on other critical functions. Prior to implementation we work to identify and understand the specific needs at hand. We customize our service offerings to meet the unique needs of each project we work on.

Our services include the following:

- Integration with your personnel to ensure that we function as an extension of your staff
- Database set up, review, and reconciliation
- Preparation of Annual Engineer’s Report, budget, and resolutions
- Billing of charges, directly or through the County Tax Roll
- Comprehensive annual status reporting
- Financial analysis, modeling, and budget forecasting
- Toll-free inquiry line for property owners and other interested parties
- Reporting on phone-call activity
- Reporting on collections and payment status
- Calculation of prepayment quotes
- Legislative updates that may impact your districts

Willdan has had two primary objectives since our inception in 1964—ensuring the success of our clients and enhancing our surrounding communities. Working steadily toward these goals we gained a notable reputation for technical excellence, cost effectiveness, and client responsiveness in providing superior engineering and planning consulting services. In recent years Willdan has expanded our service offerings into several vital areas including financial and economic analysis, homeland security, environmental remediation, and sustainability. We have crafted this set of integrated services so that, in the face of our evolving environment—whether economic, natural, or built—Willdan can continue to extend the reach and resources of our clients.
